

HOPE, BC CHRISTMAS LIGHT CHALLENGE!

Hope, Cascades & Canyons is hosting a Christmas Light Challenge this year for our local residents to compete for the street with the most Christmas spirit!

From November 12th – December 5th we will be entering our street as a team to see if we can get the most votes. Then, between December 12th and 27th residents will be able to drive around town and vote for their favorite team.

To enter the challenge our street must have a minimum of three participating houses.

If you would like to join us please contact our team captain

_____ at _____
(name) (phone # or email)

and we will add you to our team.

When the winning street is announced each household on that street will receive a prize.

Let us give our residents, families, and the kids an amazing memory to end 2020 with full of lights and decorations! This is such a great way for us to come together as a community while safely distancing.

Visit hopebc.ca/blog to learn more about the challenge!
